Dec-2020

Dr. Ioannis Neokosmidis, CEO

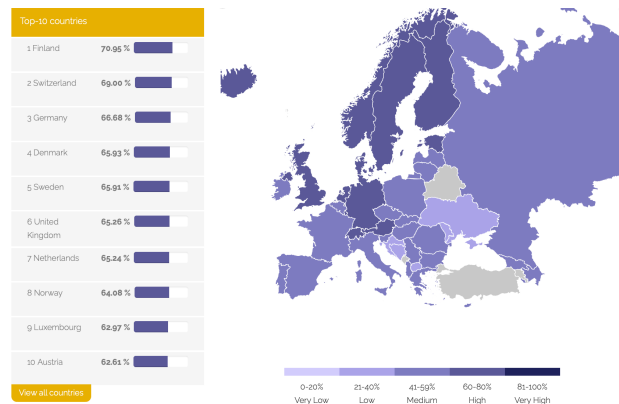

Consulting

Research

Prognosis

Products

5G related projects

5G-PPP

Private Contracts

Devising a National 5G Strategy

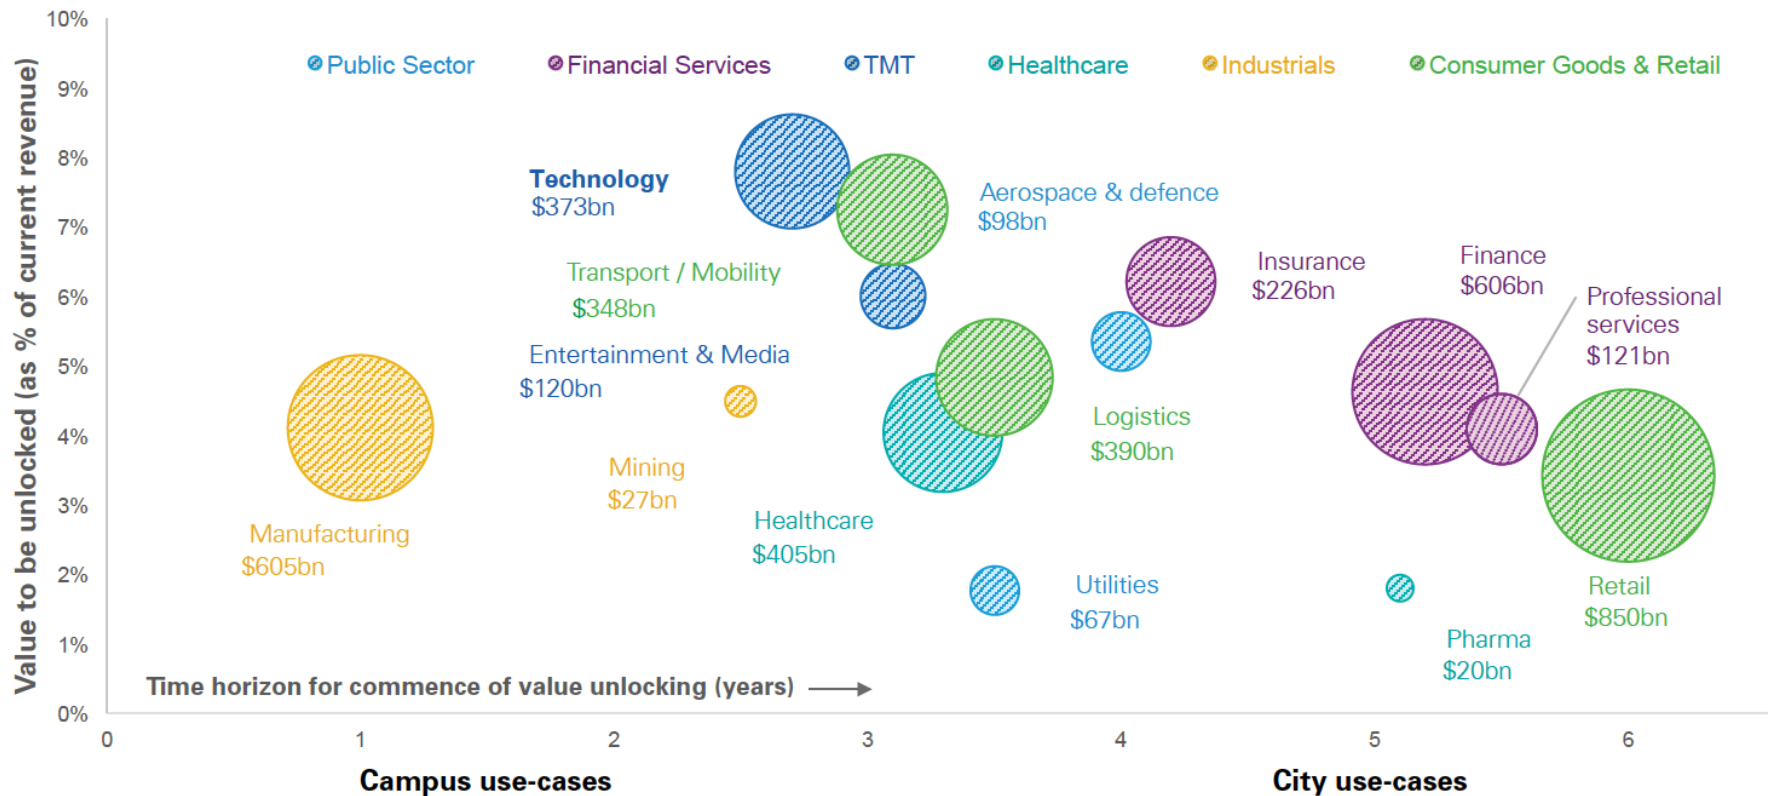

Preparing a Call for 5G Projects

Contribution to a coherent digital infrastructure strategy in Luxembourg

Value to be unlocked

Source: KPMG

Challenges - Issues

- Setup ecosystems – partnerships
- Business Case Uncertainty Persists
- Enterprises/verticals are not aware of the benefits
- Lack of standardization is an obstacle
- Spectrum allocation – Spectrum sharing

Thank you!
